

Annual electronic filing requirement for small exempt organizations — Form 990-N (e-Postcard)

Who may file Form 990-N to satisfy their annual reporting requirement?

In general, exempt organizations have an annual reporting requirement although there are [exceptions](#).

Most small tax-exempt organizations that have an annual reporting requirement can satisfy the requirements by submitting Form 990-N, Electronic Notice (e-Postcard) for Tax-Exempt Organizations Not Required to File Form 990 or Form 990-EZ. Form 990-N is submitted electronically, there are **no paper forms**.

An organization eligible to submit Form 990-N can instead choose to file Form 990 or Form 990-EZ to satisfy its annual reporting requirement.

Small tax-exempt organizations generally are eligible to file Form 990-N to satisfy their annual reporting requirement if their annual gross receipts are normally \$50,000 or less.

- Gross receipts are the total amounts the organization received from all sources during its annual accounting period, without subtracting any costs or expenses.
- Gross receipts are considered to be normally \$50,000 or less if the organization:
 - Has been in existence for 1 year or less and received, or donors have pledged to give, \$75,000 or less during its first tax year;
 - Has been in existence between 1 and 3 years and averaged \$60,000 or less in gross receipts during each of its first two tax years; and
 - Is at least 3 years old and averaged \$50,000 or less in gross receipts for the immediately preceding 3 tax years (including the year for which calculations are being made).

However, [some organizations aren't eligible to use Form 990-N \(e-Postcard\)](#) even if their gross receipts are normally \$50,000 or less. These organizations must file different forms instead to satisfy their annual reporting requirement.

Note: a subordinate organization in a group exemption that is included in a group return filed by its central organization does not file Form 990-N because the group return satisfies its annual reporting requirement.
